2. How to Calculate the Best Date for Property Transactions

Auspicious property dates are selected based on:

- **Personal Life Path Number** (Sum of birthdate digits).
- **Property Number** (Sum of house/apartment digits).
- **Date's Universal Energy** (Sum of transaction date).

Step 1: Calculate Your Life Path Number

Add the digits of your birthdate until you get a single digit or a master number.

Example: If born on **March 14, 1985 (14/03/1985)**: $1+4+0+3+1+9+8+5 = 31 \rightarrow 3+1 = 4$ (**Life Path Number**)

Step 2: Calculate the Universal Energy of the Date

Choose a date and add its digits together.

Example: **April 25, 2024 (25/04/2024)** $2+5+0+4+2+0+2+4 = 19 \rightarrow 1+9 = 10 \rightarrow 1+0 = 1$ (**Universal Energy Number**)

For property purchases, the Universal Date should align with your Life Path Number or a harmonious number.
