## 1. How Planets Influence Debt and Financial Struggles

- **Saturn (Shani):** Indicates long-term debts and financial delays; remedies can help in stabilizing finances.
  - **Mars (Mangal):** Governs impulsive spending and sudden financial burdens; needs balance to prevent unnecessary debt.
  - **Rahu & Ketu:** Represent karmic financial struggles; past-life debts may manifest in the form of financial loans.
  - **Jupiter (Guru):** Signifies financial wisdom; a weak Jupiter may result in poor financial planning and excessive borrowing.
- 

## 2. Identifying Loan and Debt-Related Problems in Your Horoscope

### A. Key Houses Indicating Debt Issues

- The **6th house** represents debts and loans; malefic planets here may lead to financial struggles.
- The **11th house** governs financial gains; afflictions can result in

delayed earnings and inability to repay debts.

- The **2nd house** signifies wealth and savings; a weak 2nd house can indicate financial instability.
- The **12th house** relates to expenses; an overactive 12th house may lead to excessive spending and rising debts.

## B. Important Planetary Combinations That Cause Debt

- **Saturn in the 6th house** may cause long-term loans and financial struggles.
  - **Rahu and Mars conjunction** can lead to impulsive spending and accumulating debt.
  - **Weak Jupiter in the 2nd or 11th house** results in poor financial management.
  - **Afflicted Moon** leads to emotional spending and financial instability.
-
