

Today's Good & Bad Times: Daily Predictions & Auspicious Timings

Life is a balance of good and bad times, and astrology provides a roadmap to navigate these phases wisely. According to Vedic astrology, every day is divided into **auspicious (shubh) and inauspicious (ashubh) periods**, influenced by planetary positions and cosmic energies.

Whether you are starting a new business, traveling, investing, or performing a puja, knowing **today's good and bad times** can help you make the most of every opportunity while avoiding potential obstacles.
