A. South-West Vastu Defect (Stability & Control Issues)

- **Problem:** If the South-West corner is weak or missing, it may lead to unstable finances and legal troubles.

- **Remedy:** Keep this area heavy with metal or stone objects. Placing a yellow pyramid or earth element here enhances stability.

B. North-East Blockages (Karmic & Legal Issues)

- **Problem:** Cluttered or blocked North-East corners can bring legal entanglements.
- **Remedy:** Keep the North-East clean, clutter-free, and well-lit. Use water elements like a fountain or place a crystal bowl filled with clean water to attract positive energies.

C. Main Door Placement Issues (Legal Obstacles)

- **Problem:** If the main entrance is in an inauspicious direction (such as South-West or South-East), legal problems may arise.
- **Remedy:** Ensure the entrance is well-lit and has a nameplate for identity. Placing **Gomati Chakras or Vastu pyramids** near the door enhances legal safety.

D. Inappropriate Placement of Toilets (Financial & Legal Issues)

- **Problem:** Toilets in the North-East or South-West can bring financial and legal troubles.
